Under the U.S. federal law (Section 438 of Public Law 90-247, as amended), students are permitted access to certain education records. Section 438(a)(2)(B) provides that a student may waive the right to inspect confidential letters of recommendation. Many applicants have found that a recommendation letter written in confidence has a greater impact than one to which the applicant also has access. If you waive your right to inspect the information requested by this form, please sign below.
